Bryant Lake LaGrange Sponsors Flicks on Bricks

Bryant Lake LaGrange supports local community through summer movie series sponsorship

LAGRANGE, Ga. – PEC Development’s Bryant Lake LaGrange continued their support of the local community by sponsoring last month’s Flicks on Bricks. The summer series, coordinated by the Downtown LaGrange Development Authority, showed free movies appropriate for the entire family including: High School Musical 2, The Goonies, Hannah Montana and Rudy. Movies were shown every Friday throughout the month of August. Nearly 350 residents from LaGrange and surrounding areas attended each movie.

“Without our sponsors like Bryant Lake LaGrange we would not be able to afford to provide free movies for the community,” said JoAnn Gentry with the Downtown LaGrange Development Authority. “Showing a free movie to the public is costly, considering licensing and screen rental, so we are very grateful to sponsors for their generous support to make free family-friendly movies available to the whole community.”

Families who attended the movies set up blankets, brought picnics or ate dinner at one of the downtown restaurants and enjoyed reasonably priced concessions.

“We are relatively new to the community, so by sponsoring community events like Flicks on Bricks, we hope to be able to introduce Bryant Lake LaGrange to residents of LaGrange and the surrounding areas,” said Paul Corley, Chief Executive Officer of PEC Development. “Bryant Lake LaGrange is a neighborhood all about family, so a sponsorship of an event designed for families to enjoy aligns perfectly with the environment we are creating at Bryant Lake LaGrange, from our family-friendly amenities to our range of homes perfect for families of all sizes.”
